Choose artist membership level:

- Artist Basic \$50
- Artist Enhanced \$75

### Artist Member - Basic - \$50/year

At the CAC, we are committed to providing expanding opportunities to artists of all levels. To that end, there is a membership level for artists who want to achieve their personal goals. Included in this membership are:

- Online portfolio at [www.estesarts.com](http://www.estesarts.com) including artist statement, contact information, an example of work, and a link to the artist's website.
- Physical portfolio maintained at the CAC fine art gallery, located at 423 W. Elkhorn Ave.
- Membership at this level entitles the artist eligible for our Satellite Gallery Program, where local businesses are paired with member artists for one-person, rotating shows.
- Membership at this level is required to show in our ongoing exhibits in the gallery gift shop.
- One members-only show per year (which is currently the annual holiday show).

Within one month of your enrollment, you will be asked to provide information to complete your participation in the CAC's online portfolio of participating artists.
